[11:05] <kekon3> I'm here, but obv I'm one streaming, so not chatting as much

[11:07] <thenewfaceofcreation> Ok dood

[11:23] <kekon3> but for real, how's it been @TheNewFaceofCreation

[11:29] <the1whofarts> Hey Phil, you need to start using your DDP yoga before you become big enough to big a titty streamer

[11:34] <thenewfaceofcreation> Anybody here excapt for kekon Kappa

[11:35] <thenewfaceofcreation> Nobody eh

[11:38] <kekon3> FeelsBadMan

[11:39] <thenewfaceofcreation> I know :(

[11:47] <thenewfaceofcreation> Anybody here

[11:48] <kekon3> people will show eventually, phil stream should start in a few

[11:49] <thenewfaceofcreation> How was the last stream

[11:51] <kekon3> not too sure, wasn't here for it

[11:51] <kekon3> haven't been around for a good minute. gonna watch the halloween stuff tonight

[11:52] <thenewfaceofcreation> Alright

[12:01] <the1whofarts> hi

[12:02] <wxrxaxtxh> hello hello doods

[12:04] <kekon3> @WxRxAxTxH @the1whofarts VoHiYo

[12:06] <thenewfaceofcreation> Hi doods

[12:22] <thatanonybear> hey there party people

[12:25] <darksydephil> wassap

[12:25] <darksydephil> setting up now folks!

[12:25] <deepdrive3254> hey hey party people :D

[12:25] <thenewfaceofcreation> Hi doods

[12:26] <thenewfaceofcreation> How was the ladt stream

[12:26] <thenewfaceofcreation> Last

[12:26] <darksydephil> the one year crowns have arrived!!!

[12:26] <darksydephil> very nice, i like them

[12:26] <deepdrive3254> nice one year crown :D

[12:27] <kushiyakitori> KonCha You tried Kekon

[12:27] <deepdrive3254> pops did a good job on the crowns

[12:27] <aproxymate> Is Phil streaming today?

[12:27] <beatles12335> ye

[12:28] <darthradovanviking> yes he just tweeted

[12:28] <thenewfaceofcreation> Hey phil. Will you play more of manhunt or call of cthulhu

[12:28] <kushiyakitori> well it was a decent match Kekon. at least from the part i saw

[12:28] <deepdrive3254> Are you feeling any better today phil?

[12:28] <darthradovanviking> yeah i feel like a royal deep

[12:28] <thenewfaceofcreation> Phil costume was decent

[12:28] <aproxymate> !schedule

[12:28] <nightbot> Nov. 2: I return to streaming with Super Mario Odyssey at 12:30pm PDT! Then it's the premiere of COD WWII at 8:30pm PDT, 2 hours of fun multiplayer!

[12:28] <darksydephil> well heres the deal

[12:28] <thatanonybear> i love deals

[12:29] <aproxymate> Why is he playing Mario? It's not earning him anything

[12:29] <darksydephil> i dont have a typical sore throat this time. in fact im not really gunked up at all

[12:29] <kekon3> is it something bad?

[12:29] <darksydephil> my lefthand side of my throat is swollen, its the glands, meaning i have a viral infection

[12:29] <thatanonybear> mumps?

[12:29] <darksydephil> i can feel the swollen lymph node on that side

[12:29] <kushiyakitori> @Kekon3 what tournament? Tekken?

[12:29] <kekon3> oh jesus christ

[12:29] <aproxymate> Steam bath might help @darksydephil

[12:29] <deepdrive3254> yikes thats not good

[12:29] <thenewfaceofcreation> It seems going to a doctor is the best thing you could do

[12:29] <darksydephil> so talking it doesn't even effect, its not like a raspy or irritated throat. ive had this before and its rare, its not the typical issue i get

[12:30] <thenewfaceofcreation> Imo

[12:30] <thatanonybear> swollen lymph nodes could either be very serious or a false alarm, hopefully youre okay :(

[12:30] <darksydephil> okay, please send me \$1k so i can go to the doctor tomorrow lol

[12:30] <darksydephil> lymph nodes always swell during an infection

[12:30] <nich2440> hope you feel better phil

[12:30] <darksydephil> its actually if you have swollen nodes and no pain that you need to worry

[12:31] <thenewfaceofcreation> @DarksydePhil where can i send it Kappa

[12:31] <darksydephil> i.e. it could be something serious

[12:31] <aproxymate> I think PCP are cheaper than urgent Care

[12:31] <deepdrive3254> if you still have your yearly checkup i would think about going for that but i don't know if it covers other stuff

[12:31] <darksydephil> but since ive got obvious throat swelling and pain it makes sense

[12:31] <darksydephil> i should be fine for streaming, since its not the actual raspyness o fthe throat or anything. i just have to take it easy and let the infection ride itself out

[12:31] <thatanonybear> @Aproxymate depends on your area andd your coverage

[12:32] <darksydephil> if it doesn't go away, then ill go to the doctor but ive had this before and it always does

[12:32] <kekon3> well, irritating it sounds bad so I will say to force yourself to comment on everything

[12:32] <aproxymate> Most insurances have a copay even for urgent Care

[12:32] <darksydephil> not for the self employed aproxymate, we get the worst insurance in the nation

[12:32] <bos2161> They don't pay shit until you meet your delectable for the year though lol

[12:32] <shega_ace> Try turning your microphone sensitivity up and not talk so loud today call it a quiet stream where we chill and relax or something

[12:33] <beatles12335> Phil with that Roman Reigns illness lol

[12:33] <darksydephil> for me to do anything except the yearly checkup, its "coinsurance" meaning the insurance only pays a certain amount and ill still get hundreds if not thousands of dollars in bills

[12:33] <darthradovanviking> fucking 3rd world republic who can't give their inhabitants healthcare.

[12:33] <darksydephil> thats why in 2015 with my foot, i paid over \$1k

[12:33] <darksydephil> i had an xray, blood test, and then the meds. nothing was covered

[12:33] <aproxymate> @darksydephil you can check before hand how much going to a doctor will cost. They have cost of care calculator on their site

[12:34] <aproxymate> X-RAYS are usually expensive

[12:34] <darksydephil> btw there should be two changes today, we'll see

[12:34] <darksydephil> first change is, if someone tips me, it now says that in the stream chat along with their message

[12:34] <darksydephil> it ties in with nightbot to do that

[12:34] <gettwobirdsstonedatonce> I've never paid for an x ray

[12:34] <nich2440> is the patreon muxy app working yet?

[12:34] <darksydephil> second change is, if someone pledges to patreon its apparently supposed to tie in with muxy but

[12:34] <thenewfaceofcreation> Is it about the patron popups?

[12:35] <darksydephil> muxy doesn't even explain HOW. it might just be tracked but not displayed. i see no option to do a pop-up thank you for that

[12:35] <thatanonybear> I had better insurance when I was homeless compared to when I had a full time job, because US

[12:35] <deepdrive3254> oh thats a cool change

[12:35] <nich2440> lets start the stream so we can test it!

[12:35] <aproxymate> Is the pop up for all patron pledges or above certain amount?

[12:35] <deepdrive3254> is that part of why its showing logviewer as a moderator now

[12:35] <darksydephil> yeah theres no way to know until i try it out

[12:35] <darksydephil> i definitely linked it

[12:35] <darksydephil> in fact let me take a look right now bc someone actually pledged this morning

[12:36] <gettwobirdsstonedatonce> Never how much I take being Canadian for granted

[12:36] <beatles12335> >Weedman country

[12:36] <the1whofarts> hi

[12:36] <thenewfaceofcreation> Why doing the patreon pop ups now phil. Just asking

[12:37] <aproxymate> @gettwobirdsstonedatonce I don't envy your property prices and your incomes

[12:37] <darksydephil> yeah i literally see nothing about patreon in muxy. seems like its a good idea they haven't implemented yet

[12:37] <thenewfaceofcreation> Well. Hope phil is ok

[12:37] <aproxymate> Also Canadian Winters DansGame

[12:37] <vashyoyo> odyssy hypw this game is soo good hope phil finishes it

[12:38] <sirjamesdtech1> @Gettwobirdsstonedatonce Or your taxes in Canada to pay for the "free" healthcare. Or the constant de-listing of medical procedures.

[12:38] <deepdrive3254> well single payer is typically more affordable

[12:38] <gettwobirdsstonedatonce> Yeah I pay about 800\$ a month for shit apartment and 25\$ a month extra for my cat lol. Also I heated and unlighted lol

[12:38] <kittyspank> oh oh

[12:38] <deepdrive3254> but canada has worse outcomes from deadly diseases due to wait times

[12:38] <deepdrive3254> than the us

[12:38] <beatles12335> yeah it sucks the illness put him off. i do NOT want phil rushing this game

[12:38] <the1whofarts> Hey Phil, love your content. I work in a hospital and i just wanted to say that since you have a history of gout, your probably going to need to get a blood test for uric acid. Problem is, you're a lil bich and u may have been doing too much dick suckin as of late, so it cud also be an STD. Kiss my ass! Love the streams, have fun gamin!

[12:38] <nightbot> the1whofarts -> I'VE BEEN WAITING FOR THIS! [warning]

[12:39] <darksydephil> okay is the stream working?

[12:39] <the1whofarts> huh?

[12:39] <gettwobirdsstonedatonce> Yep

[12:39] <the1whofarts> Can u not type out too long?

[12:39] <kekon3> yup

[12:39] <beatles12335> i see the prestream slides, ye

[12:39] <deepdrive3254> yep

[12:39] <superbatcat> Hello, People of Chat hope everyone is doing well.

[12:39] <kushiyaikitori> @the1whofarts your message had a banned word I think

[12:39] <i_came_here_to_something> Phil you need to work out more and eat healthier. Unless it's some pre-existing condition you can probably do a lot more to prevent reoccurring sickness

[12:39] <silentgeneral> Yeah

[12:39] <the1whofarts> I said @ s s maybe that

[12:39] <kushiyakitori> lol nah, not that

[12:39] <thenewfaceofcreation> @deepdrive3254 hi dood

[12:39] <darksydephil> okay ill tweet out the stream

[12:40] <deepdrive3254> it was probably since you said gout the1whofarts that is a blacklisted word

[12:40] <thenewfaceofcreation> @I_Came_Here_To_Something agree

[12:40] <the1whofarts> Phil u shud do ur DDP Yoga, for real. Itll be easy on your back. I mean you prolly already know this. Uve got the space now

[12:40] <the1whofarts> Ah yeah phil brought it up. Ill say "foot incident"

[12:40] <thenewfaceofcreation> @deepdrive3254 stop ignoring your friend Kappa

[12:40] <rbreezay> Philâ€™s back?

[12:40] <the1whofarts> much like "masturbation incident"

[12:40] <beatles12335> ya i hear ddp yoga is great

[12:41] <rbreezay> Philâ€™s foot? Huh

[12:41] <aproxymate> Problem is he doesn't get any time

[12:41] <the1whofarts> Yeah I feel u gave up on ur back alittle too soon. Did they ever consider PT for u?

[12:41] <thenewfaceofcreation> @Aproxymate time for what

[12:41] <hardybuck4> v

[12:41] <the1whofarts> lol DDP yoga is 30min no warmup necessary, he can do it, dont patronize him

[12:41] <aproxymate> Exercise and making meals

[12:41] <boompoe> adumBooty

[12:41] <the1whofarts> hes not a fat bich

[12:41] <cynothoglys_> sup

[12:41] <thatanonybear> @the1whofarts it's closer to 22 minutes

[12:42] <the1whofarts> Even better

[12:42] <thenewfaceofcreation> @Aproxymate he has time to watch shows on netflix tho...

[12:42] <stonerof95> Sound?

[12:42] <gettwobirdsstonedatonce> Imagine if Philâ€™s was actually in the style of Marioâ€™s LUL

[12:42] <the1whofarts> He can watch the shows WHILE doing it tbh, it's not that tiresome or needing focus

[12:42] <beatles12335> i think phil trying ddp yoga on a dsp tries it would be fun

[12:42] <aproxymate> He has already explained his daily routine a number of times. He literally just games and do chores all day

[12:42] <the1whofarts> yeah DSP Tries it DDP Yoga

[12:43] <deepdrive3254> whats up delta? :D

[12:43] <i_came_here_to_something> @TheNewFaceofCreation If he took even 30 minutes every night from watching Netflix to exercise, a lot of his current health/emotional issues would be resolved over time.

[12:43] <aproxymate> Netflix is during his time off from work

[12:43] <cynothoglys_> phil does chores? Kappa

[12:43] <the1whofarts> @Aproxymate maybe he could not do laundry for a month and stop wearing underwear

[12:43] <deepdrive3254> wait now its hosting kekon again

[12:43] <blue_blur64> So guess who got out of work early and actually made it to a stream on time? Kappa

[12:43] <thenewfaceofcreation> @I_Came_Here_To_Something ikr

[12:43] <deepdrive3254> ok there we go thats better

[12:43] <i_came_here_to_something> He could even work out while watching Netflix!

[12:43] <hedggy008> Hi dsp

[12:43] <shega_ace> Oh for goodness sake let him live his life i hate the internet always judging people why can't we all just be here to support him, have a good time and get some enjoyment out of it

[12:43] <deepdrive3254> aaaaaand beta mode is off again

[12:43] <beatles12335> DDP's a saint.

[12:44] <darksydephil> i just chugged my tea lol
[12:44] <beatles12335> Saved Y2j's career with his yoga
[12:44] <the1whofarts> @Shega_Ace Well he complains about being fat, just trying to help the chubber
[12:44] <rbreezay> Does phill have DDP yoga?
[12:44] <darksydephil> brb gonna grab a seltzer and then start
[12:44] <thenewfaceofcreation> @Shega_Ace what are you talking about lol
[12:44] <blue_blur64> dat tea chugging doh
[12:44] <aproxymate> @shega_ace i think people are genuinely worried about his health
[12:44] <deepdrive3254> :D nice
[12:44] <waifudestroyermatt> Dsp streaming boish
[12:44] <cynothoglys_> hi phil
[12:44] <the1whofarts> Phil wud be a hotty with some weight loss
[12:44] <coralguy> Thatâ€™s kosher phil
[12:44] <darthradovanviking> just whipe your own ass and shut your mouth @the1whofarts
[12:44] <the1whofarts> he cud be fucking biches left and right
[12:44] <stonerof95> Iâ€™m not hearing any sound
[12:44] <blue_blur64> So I'm gonna play Mario as well while Phil's playing, I don't want to fall behind xD
[12:44] <gettwobirdsstonedatonce> Phil, would you ever consider styling your hair like Mario's?
[12:44] <waifudestroyermatt> I thought its assassins creed today
[12:44] <the1whofarts> @DarthRadovanViking Ive Twitter DMed you. Don't make me say anything.
[12:45] <rbreezay> Philâ€™s Netflix bingeing has been unhealthy lately.
[12:45] <thatanonybear> @DarthRadovanViking LUL
[12:45] <darthradovanviking> I just think you are trolling
[12:45] <kushiyakitori> @WaifuDestroyerMatt schedule change cause he didn't play anything yesterday
[12:45] <shega_ace> Ok good cuz it just reads like they are judging, i read it wrong
[12:45] <waifudestroyermatt> Oh right
[12:45] <the1whofarts> @DarthRadovanViking Christ yall are too sensitive. I gave sound, not judgemental advice
[12:45] <blue_blur64> Since I did the next kingdom Phil's going to (and it's pretty small), I'm gonna try to get through what Phil did last time before he finishes
[12:45] <deepdrive3254> well you're not wrong viking
[12:45] <the1whofarts> Someone else brought up ddp yoga
[12:45] <epicun> I have been waiting for this
[12:45] <rbreezay> Hopefully we wonâ€™t have anymore call in sick in November.
[12:46] <thatanonybear> does DSP have to actually call Twitch headquarters when he takes a sick day?
[12:46] <the1whofarts> And he seems depressed so exercise and healthy diet objectively helps with that. So sniff a fart man
[12:46] <deepdrive3254> :D no anony
[12:46] <thenewfaceofcreation> @ThatAnonyBear what do you think
[12:46] <thenewfaceofcreation> :p
[12:46] <stonerof95> Is anyone else not hearing sound?
[12:46] <nich2440> why would he have to call Twitch lol
[12:46] <rbreezay> Calling in sick for the first day of the month is bad for patreon.
[12:46] <i_came_here_to_something> @Shega_Ace No harm in giving some sound advice and suggestions
[12:46] <thatanonybear> @stonerof95 hhe's on Switch, so n sound
[12:47] <fluttershy1970> i seen some from call of duty ww2 it looks pretty good
[12:47] <blue_blur64> @stonerof95 Switch doesn't make sounds unless you move
[12:47] <rbreezay> @stonerof95 you have to wait
[12:47] <corenayeetgod> oh boy another dsp stream whos doinked
[12:47] <shega_ace> @I_Came_Here_To_Something Yeah i agree :) i'm sorry it just read like negativity but now i'm causing the negativity ;,;
[12:47] <blue_blur64> doinked? xD

[14:53] <thatanonybear> this game, fps or reso? @blue_blur64

[15:33] <thatanonybear> @Bammbino i prefer it definitely
[15:33] <xeranarth> This air thing is something I don't think I'll ever get. Mario needs air in the 3D entries but is perfectly fine holding it for an eternity in 2D.

[15:36] <roeygabay> Is this a children's game?
[15:36] <bammbino> its a minor complaint but, i wish the composer made different versions of the song when you get a moon
[15:37] <bammbino> this stage's music is nice and relaxing.. you get a moon and a loud sound goes off
[15:37] <blue_blur64> Yes, but you need to beat the boss here first before giving her the fish
[15:37] <thatanonybear> @RoeyGabay in what sense? in terms of gameplay design, not quite
[15:37] <thatanonybear> but in terms of aesthetic, absolutely
